Student Senate I, Gaveliers I, Girls' and Boys' State

A government by the school, for the school, and of the school — this was our student government-Senate and Gaveliers. Problems, some important and some not, were discussed again and again and usually solved. A chance to practice correct parliamentary procedure and student cooperation was given to the representatives of the Student Senate and the Gavelier members, the homeroom presidents. But a bigger and more exciting chance awaited the lucky students chosen to attend Hawkeye Girls' and Boys' State — a program designed to give high school students an inside look at their state's and country's governments.

Contest Play

This year's contest play, **Alice-Sit-by-the-Fire**, written by the author of **Alice in Wonderland**, concerned a mother's efforts to attain a closer relationship with her three children after being separated from them for several years. With an English setting and fine portrayal of characters, the play advanced to the district meet at Tama.

Fall Play

A touch of make believe — a modern fairy tale — **Mrs. McThing** was another fine production from the speech students and Miss Ruth Wilson. A story of a witch's influence on an aristocratic family and the gang from the "other side of the tracks" made a humorous and delightful presentation.

CONTEST PLAY

W. Schwyhart, S. Cooper, M. Greene, J. Slaughter, J. Schmidt, S. Blindman, J. Silver.

Band Director
Richard Baker

Band

Once more West High displayed the skill, versatility, and hard work which has become a tradition with the band, the cute and peppy flag twirlers, and the flashy, high-stepping drum majors. Marching at the football games, regardless of weather — every time a new routine, difficult and entertaining — adding its fine part to the Christmas program — generously giving of time and shoe leather for the community Torch Light Parade, Memorial Day Parade, and Band Jubilee — performing so well for the public at the Evening of Music and Music Festival — these are all reasons for our pride in Mr. Baker and his topnotch band.

Chorus A

Performing for the students in a fall assembly, the chorus under its new director, Mr. Vincent McCowen, began one of its busiest and most enjoyable seasons. Entertaining the Kiwanis Club, singing in the Christmas program and the **Evening of Music**, appearing on television, and joining with the East High Chorus in the Music Festival will always be pleasant memories for these students.

Especially different this year was the formation of barbershop quartets — for girls as well as boys.

The fine performance, the cooperation, and the willingness to give of outside time, all helped to make this year's vocal group West High's best.

Orchestra Director
Dorothy Johnson

Orchestra

The lights dimmed, the attention of the audience was on Miss Johnson — this meant the orchestra was about to perform. And so it was for the **Evening of Music**, the two performances of the Christmas program, the Music Festival, and other occasions. Class time and outside hours were devoted by these musicians to perfect the selections chosen for concerts.

As in past years, West had a group of talented individuals combining their efforts to form an orchestra of superior quality.

Silver Strings

Formals, tuxedos, and a beautiful blend of music — this was our Silver Strings. With students from West Junior as well as West High, this fine musical group entertained at banquets, the fall play, and assembly programs at West High and West Junior.

The quality and superb performances were always enjoyed and will be remembered.

Annual Staff

Cropping pictures, meeting deadlines, searching for new ideas — all these things entered into the making of your annual.

The staff enjoyed its work from the annual skit to the very last deadline. By changing the usual arrangement of the annual to one of a chronological order, we hoped to create a yearbook a little different and a little better for you.

This was your year — this is your book — you the students are the stars; the staff is the producer.

Spectator

Seventeen issues, four pages per issue, plenty of hard work, lots of fun to read — that was the **Spectator**. Somehow West wouldn't be the same without its newspaper to keep the students informed and entertained.

By working together and giving up many hours of outside time, the staff produced a publication that served not only the students but also acted as a public relations medium to acquaint the community with the school and its activities. The work was done well — the **Spectator** will always be remembered.

Varsity Football

With eight returning lettermen, this year's Wahawks won seven games, rushed for 2,199 yards, and scored 218 points against many of the state's top teams. West won the Big Six championship outright for the first time since 1950 and placed seven players on the first two all-conference teams. At the end of the season, the Wahawks were ranked fourth in the state and had placed two on the all-state teams. Doug Garvin was named to the I.D.P.A.'s and **Register's** second teams while Bill Kenny was placed on the **Register's** fifth team. Co-captains for the year were Perry Myrsiades and

Bill Kenny. Though losing the valued assistance of Coach Don Blue, the Wahawks, with nine returning lettermen, should prove to be another powerhouse next year.

Sophomore Cheerleaders

Another year—another brand new group of soph cheerleaders. By cheering for sophomore basketball games and reserve wrestling meets, these girls acquired the necessary experience and ability that will carry them through until their last cheer as seniors. Chosen from many hopeful girls, these lucky four have shown themselves to be very worthy of their honor.

Varsity Cheerleaders

West High has always had a great deal of pride in its athletic program. An essential and very pleasing part of this program was our varsity cheerleading group. Just as the athletes strived to win contests and break records, these girls contributed their part by keeping up the spirit and desire to win.

Whether it was at the pep assemblies, football and basketball games, or wrestling meets, we could depend on our cheerleaders—win or lose.

Future Teachers

The shortage of teachers in the United States has become quite a serious problem. By offering advice and opportunities to explore the profession, this club strove to encourage students with an interest in teaching to fulfill their plans.

Future Nurses

Girls considering nursing careers found this club well worth their time. Speakers connected with all phases of medicine provided programs, informative and interesting. In addition to this, projects and field trips were planned.

With nurses like these, who'd mind being sick?

Bible Club

To learn more about faith and to provide a social life for the student with a more restricted religion were two objectives of this important organization. These students planned their programs so they could understand and interpret the Bible more fully. This truly was one of West's finest organizations.

Y-teens

Twice a month Thursday nights were reserved at the YWCA for this group. In addition to their regular business meetings, skits and programs were presented by these girls. Discussions from hair styling to gift wrapping and helping a needy family made this club lots of fun and worthwhile, too.

Hi-Y

Listening to a refugee tell of his escape — seeing one of the nation's largest gun collections — hearing all about hypnosis. These were the Hi-Y highlights this past year.

Meeting every other Tuesday night, these boys helped in many ways to assist the YMCA in its work.

Standing: J. Gregersen, J. Johnston, J. Johnson, D. Rudig.

Sitting: J. Cherry, L. Hadley, M. Gilliland, D. Paul, L. Phelps, Miss Smith (advisor), S. Mast, H. Newman.

Ushers

A neat appearance, a friendly attitude toward people, a sense of cooperation and efficiency — combined, these qualities represent a group most essential to our school — the ushers. These people, mostly upper-classmen, spent many hours of their extra time to help direct and assist the public. Whether for athletic events, plays, open houses, or the Variety Show, this group could always be depended upon for their greatly appreciated help. They contributed a lot to what we call "Wahawk spirit."

Stargazers

"Seeing stars?" Yes indeed! Many clear, beautiful nights were spent at the telescope by this starry-eyed, star-minded group.

Interesting programs, trips to the museum, and monthly astronomical reports — this was the work of the stargazers — work and fun.

G.R.A.

Girls' Recreational Association it is, but lots of hard work, too! Speedway, field hockey, soccer, and other skillful and exciting games were played throughout the year — mostly in intramural tournaments.

Although the eighteen members belong to the "weaker sex," the work they did and ability they showed could never be described as weak!

Movie Operators

"Audio-visual aids" are being stressed in modern education — Wahawks are glad they make subjects more fun! Because these 23 boys, under the supervision of Miss Shellard, devoted their services and library periods, we were all able to enjoy the movies shown this past year.

Towel Assistants

These, too, are the "mighty Wahawks." They had to be — big bundles of towels aren't exactly light! A valuable and compulsory service was carried out by these girls and boys, for the swimming and physical education classes were never without plenty of "fluffy, white towels" — well, clean brown towels anyway!

Row 2: P. Naber, D. Webbeking, R. Watland, Mr. Vilmain.

Electronics Experimenters

With the addition of a few from the "fairer sex," this club was a little bit more fun and interesting this year. Most of the real work was done at the students' homes where they met to discuss the mechanics of the radio and other electrical appliances.

LIGHT CREW

Row 1: D. Wagner, J. Eyestone, J. Milroy, H. Nichols.
Row 2: R. Gerard, A. Aarons, S. Sherburne, S. Smith, Mr. Kersenbrock.

Light Crew

These were boys with a large responsibility. Without their assistance and ability to give us the proper kind of lighting, the Christmas program, Variety Show, and many assemblies would never have been possible. Mr. Kersenbrock, the advisor, thought their work was excellent — we're proud of them, too.

SOUND CREW

Sitting: R. Perley, R. Billington, G. Boylan.
Standing: D. Webbeking, D. Paul.

Sound Crew

Setting up and checking all of the microphones used in our programs was the difficult job of these boys. "Heard but not seen," they showed their fine ability for plays, skits, Variety Show, and assemblies. Because of their interest, dependability, mechanical ability, and willingness to work, our sound crew was a fine organization.

Stagecrafters

Variety Show, Homecoming Field Decorations, Commencement, Christmas Program, plays — all these were a success largely due to the hard and regular work of our Stagecrafters. With the help of the faculty advisor, Mr. Wieland, these capable boys worked together to construct all stage settings and scenery used this year.

Their accomplishments were appreciated by all — but especially the Variety Show cast. These boys were a part of the important group "behind the scenes."

Cafeteria

What would we have done without the kitchen staff and cafeteria helpers? Gone hungry, no doubt!

But this was certainly not the case. Delicious meals were served every day in the pleasant atmosphere of our own big "restaurant." We could always depend on good food and lots of extra vitamins from our cafeteria.

T & I

A vital part of the curriculum at West High is Trades and Industries, a two-semester training program limited to students expecting to enter a trade or skilled occupation. Through this excellent program these boys were able to gain a better insight of the business world in which they soon hope to enter.

CHRISTMAS TREE

B. Maas, R. Gerard, C. Cross, G. Grange, K. Hubbard

Christmas has always been a time when people are a little happier — have a little more fun. West was no exception this year. For instance, Santa was right on schedule with his bag of goodies for good little Wahawks like Joan Saffell above.

Keeping with tradition, the chorus and orchestra, along with the carols of the bell ringers, combined to produce one of the finest and most beautiful Christmas programs.

Row 5: J. McHugh, J. Golinvaux, J. Harken, L. Phelps, T. Grange, L. McGreevey, R. Lamson.

Senate II

With the help and suggestions of the faculty and the entire student body, the second semester Student Senate accomplished a great deal for our school. In addition to the "old business" of running in the halls and the collection of money for trees, the Senate took over in the sponsoring of the Bundle Drive, Variety Show, and in the practicing of a code of ethics.

Because of the close cooperation between the representatives, the teachers, and the students, the Senate was able to put the "finishing touches" on another fine year at West.

Gaveliers II

After the election of the presidents' president, other officers, and committee chairman, the Gaveliers began its busy program. Meeting every other Tuesday at eight o'clock, they discussed such issues as safety, auditorium conduct, and various drives for the community.

A humorous skit intended to show the "do's and don'ts" of conducting a business meeting was the special feature of this group.

Math Club

An extracurricular organization with a real educational backbone — that's our math club. Mathematics is a skill — a science — and not an easy one. These interested students found their work with the various phases of math most helpful and certainly informing.

Morning Co-op

Work in the morning — school in the afternoon. It wasn't easy, and mornings could never be spent in bed! But the rewards were invaluable — experience in the working world and a glimpse of what the future might have in store.

Afternoon Co-op

Those students leaving the building at noon weren't playing hooky — they were the ambitious ones who spent their mornings at school and afternoons and evenings at work. Having a responsibility such as this is what trains students today for positions in business tomorrow.

Dance Groups

From the beginning to the end of the year, our dance groups were meeting, planning, and having lots of fun.

The sophomore club, the Des Moisesles, worked hard in order to advance to the Pavlovian club. The junior Pavs contributed ideas and talents to the Variety Show and looked forward to becoming Terpsichorea members. But the girls with the greatest responsibility were the seniors — the Terps. On their shoulders rested the choreography for the Physical Education Convention as well as the Variety Show.

Varsity Wrestling

The 1958 - 59 wrestling squad climaxed its most sensational season in history by winning the State Tournament February 14. The Wahawks completed an undefeated, untied season as they won ten straight meets, the Big 6 Conference title, the District tournament, and the state title by a score of 69-43 over East Waterloo.

Six Wahawk wrestlers qualified for the state meet, and West came home with three state championships and three runners-up. State runners-up were Fran Augustson at 95 pounds, John Perry at 127 pounds, and Jim

Bast at 133 pounds. Co-captain Lowell Stewart won the state championship at the 103-pound class, three-year letterman Frank Lane won the championship at 112 pounds, and co-captain Tom Huff became a three-time state champion when he pinned his man in the finals of the 120-pound division. Huff's previous two titles were won at 95 pounds and 112 pounds respectively. Tom also was named the Des Moines Register's "Prep of the Week."

THE UPSET TRAIL

Basketball

Coming back after a 5-5 midseason record, this year's Wahawks surprised many and finished with a 14-7 record.

West was known around the state as "The Giant Killer," knocking off, among others, four of the state's best teams. Captain Larry McGreevey, who was the **Register's** "Prep of the Week," was also named to their All-State

fifth team and to the Big Six first team. Roger Downs and Larry Ainley were given second team berths on the conference team. Three records were broken this year. McGreevey — school free throw, record — 84.5%. Tom Grange — single game shooting percentage — 10 for 12. West High — team free throw record — 66.1%.

SPRING

Athletic Office

Whether our athletic seasons were good or poor, there was always plenty of work for the students in this office. Many hours were spent compiling scores of games, filing records, arranging schedules, and ordering athletic equipment. This was a job but a job well done.

Errand Girls

These were the girls always on the go. Pass slips, call slips, phone calls — all of these were delivered promptly and efficiently. Using their library periods and energy to give these messages, they were a useful and busy group all year.

Standing: K. Augustson, M. J. Ruhoff, S. Mast, P. Terry.

Hi-fi Operators

We were all proud of our big hi-fi and wanted to keep it in the best shape. All of us tried — these Wahawks in particular. It was their job to play the records. Any student knows they did their job quite well — the student center really "rocked."

English Office Assistants

West High's English office, headed by Miss Wagner, rendered a valuable service to the English department. The special errand girls assigned to this office typed various records, filed all important papers, helped with numerous speech activities, and ran various errands.

Library Assistants

Taking attendance, helping to check out books, and keeping track of students who checked out required the direct attention of all the library assistants. Under the supervision of Mrs. Uban, these students were willing to give up their study time to do this special work.

Attendance Office

These were familiar faces to all the Wahawks except a few — those who had perfect attendance records. Mrs. Pratt received lots of help from these girls, for they kept accurate records of tardy students and absentees. Of course, their job was a constant and busy one — one quite indispensable.

Switchboard Operators

Even with lights flashing and telephones buzzing, these girls kept "really cool." Answering all calls and contacting the right rooms is quite a job — especially with the number of wires, plugs, and "doo-dads" on the switchboard. But through experience they learned to operate it expertly and render a great service to us.

TELEPHONE OPERATORS

Great Books

Students who enjoy reading and discussing the classics and other great writings could surely have been found at the meetings of this intellectual group — one of our most rewarding and worthwhile activities.

Tomahawks

Wahawks with an interest in original writing met to produce another fine copy of **West Wind** — our own creative writing magazine.

By composing poems, prose and other writings, these talented individuals had a lot of fun while putting their abilities to work.

Nurse's Office

Did you ever need a band-aid, aspirin, or a nap? If so, you went straight to the nurse's office where Mrs. Sheldahl and her assistants were always ready to relieve your pains. In addition to this, they always had a complete record of your health at hand. These girls helped us and themselves by practicing nursing techniques.

Student Activities

With all the activities offered at West High, we need a great deal of organization. It was the job of these busy students to keep tabs on all the other busy students — and what a job!

Forensic

An activity in which we believe and in which we take pride is our speech program — a program designed to give students a chance to learn public speaking, to meet other students interested in the same fields, and to show others their abilities. In the Forensic contest, a very challenging one, five entered the district at Dubuque — two received superiors at Iowa City.

J. Slaughter, M. Ruhoff, R. Moore, J. Newhouse.

I.H.S.S.A.

Twenty-one ambitious, early rising Wahawks represented West at these contests — and very well. Since the preliminary round was held here, some West High students watched the various events of the day. The contest play and the twenty students remaining advanced to the district round at Tama.

Finally, all individual contestants boarded the bus to Grinnell — the State Finals! As in past years, West made a fine showing — seventeen finished with superiors.

Speech Festivals

This year something new was offered in speech work. Along with the Forensic contests, all-state speech festivals were entered. The public was encouraged to attend these festivals in order to see the work and capabilities of high school students. After attending contests at Dubuque and Iowa City, five from West finished with superiors.

Track

This year's track squad, under first-year coach Victor Argotsinger, has shown good potential in the running events in early meets.

Returning lettermen Bob Gray, Howard Nichols, Dave Cole, Denny Rogers, Bill Kenny, and Larry Switzer provide the backbone of the squad.

A victory by the Wahawaks' two-mile relay in the Teachers Relays highlights the early part of this year's season.

VARSITY BASEBALL

Row 1: L. Andrew, D. Brollier, W. Gano, D. Zimmerman, R. Buchan, R. Nelson, D. Marker, P. St. John.

Baseball

West's veteran team this year should have much luck in the coming state tournament. Bob Nelson, Dean Zimmerman, and Jim Heinz combine to form a strong pitching staff, backed by lettermen Pat St. John and Wayne Gano behind the plate. Chuck Doepke, Larry Andrew, and Tom Grange are back at first, second, and third, respectively. Letterman Dave Marker can play both shortstop and outfield.

Coach Larson and his team should form a winning combination if the potential of the team is reached.

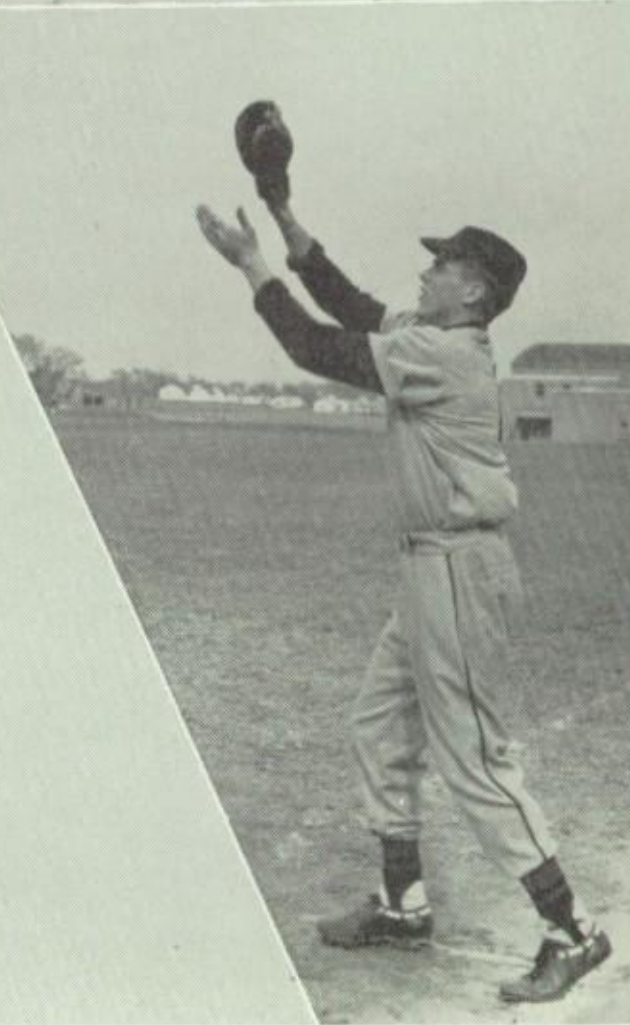

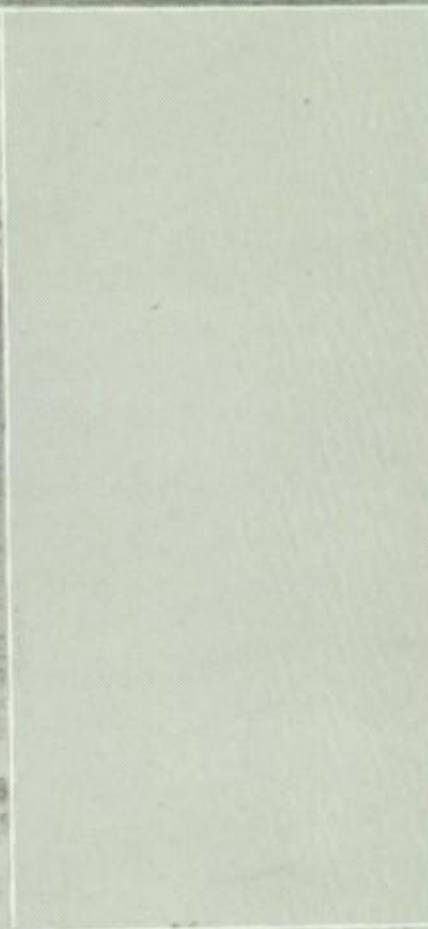

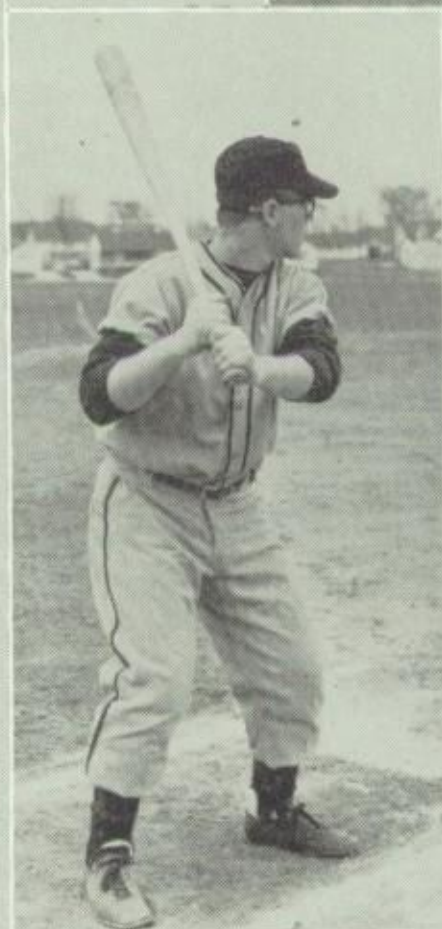

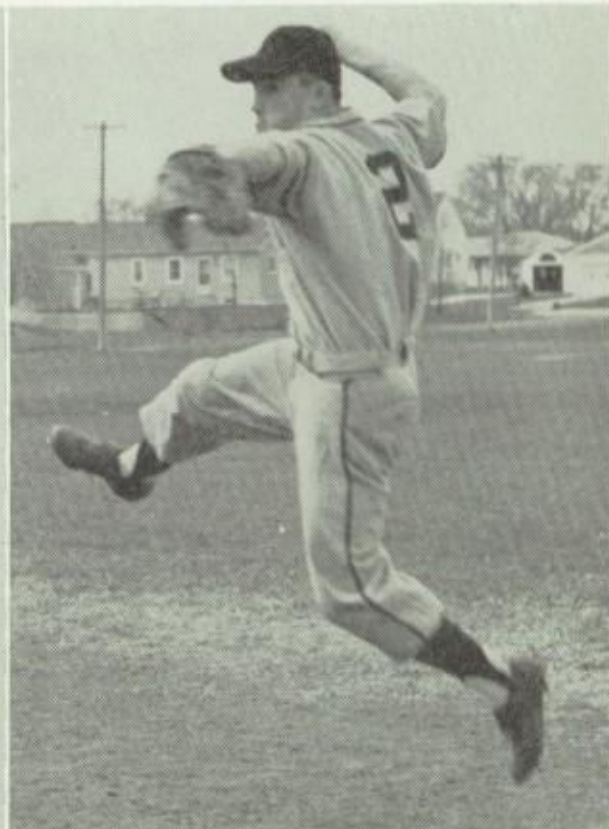

SOPHOMORE BASEBALL

Row 1: D. McCombs, G. Johnson, J. Hoff, T. Simpson, T. Hoffman, J. Alldredge, M. Cortright, D. Hamilton.

Boys' Tennis

Lettermen Mike Oberle, Joe Newhouse, and Bruce Smith will form the backbone of this year's tennis squad coached by Bob Siddens. Mr. Siddens is looking forward to a very fine season on the strength of fine over-all squad balance.

Row 1: M. Rogers, B. Smith, J. Newhouse, M. Oberle, D. Willhite, J. Calton.

Row 2: E. Smith, J. Bottomley, J. Furgason, W. Schwyhart, D. Wagner, A. Thompson, Mr. Siddens (coach).

GIRLS' TENNIS

Left to right: N. Baker, L. Lichty, K. Moser, C. Yoder, J. Grange, N. Nason, M. Cohn, B. Thompson, J. Willhite.

Girls' Tennis

West's girls' tennis team, headed by singles champion Karen Moser, should have a very fine season this year. Other letter winners — Nancy Baker, Judy Grange, Linda Lichty, Judy Willhite, and Jean Sauer — plan to figure prominently in the team's accomplishments this year. Mr. Glenn Strobridge is advisor.

Girls' Golf

Champion Andy Cohn has graduated, but West High again has a strong nucleus headed by Barb Cohn, Helen Louise Graham, and Cammy Repass. The girls face a tough schedule, but they have the ability to turn in a fine record.

GIRLS' GOLF

Left to right: P. Hoxie, L. Schultz, J. Heinz, D. Meeker, B. Simonsen, B. Cohn, M. Carpenter, H. Graham, C. Repass, V. Jarman, J. Wilkins.

Row 2: E. Meeter, K. Faxon, B. Seibert, J. Turner, C. Mosier, P. Lamson, J. Clikeman.

Boys' Golf

West High's traditionally strong golf team will be out this year with some high possibilities. This year's team includes returning lettermen Earl Meeter and Phil McDermott, both underclassmen. Coach Don Narveson will again strive to steer home another winner.

"Before!"

"After!"

Perry Myrsiades' name will be placed on the gold plaque as the winner of the twenty-first Most Valuable Athlete of the Year Award. Receiving two letters in football, Perry demonstrated outstanding ability as a line backer and blocking back both in his junior and senior years.

During the last three years, Perry wrestled at 145 pounds, 154 pounds, and 165 pounds, winning three letters.

Perry will be remembered for his leadership on and off the athletic field.

Varsity Club

Initiation week, ushering at special events, selling pop and Variety Show tickets; these are things we automatically connect with the Varsity Club. This fine club did much this year to spread the name of West High.

In Memoriam

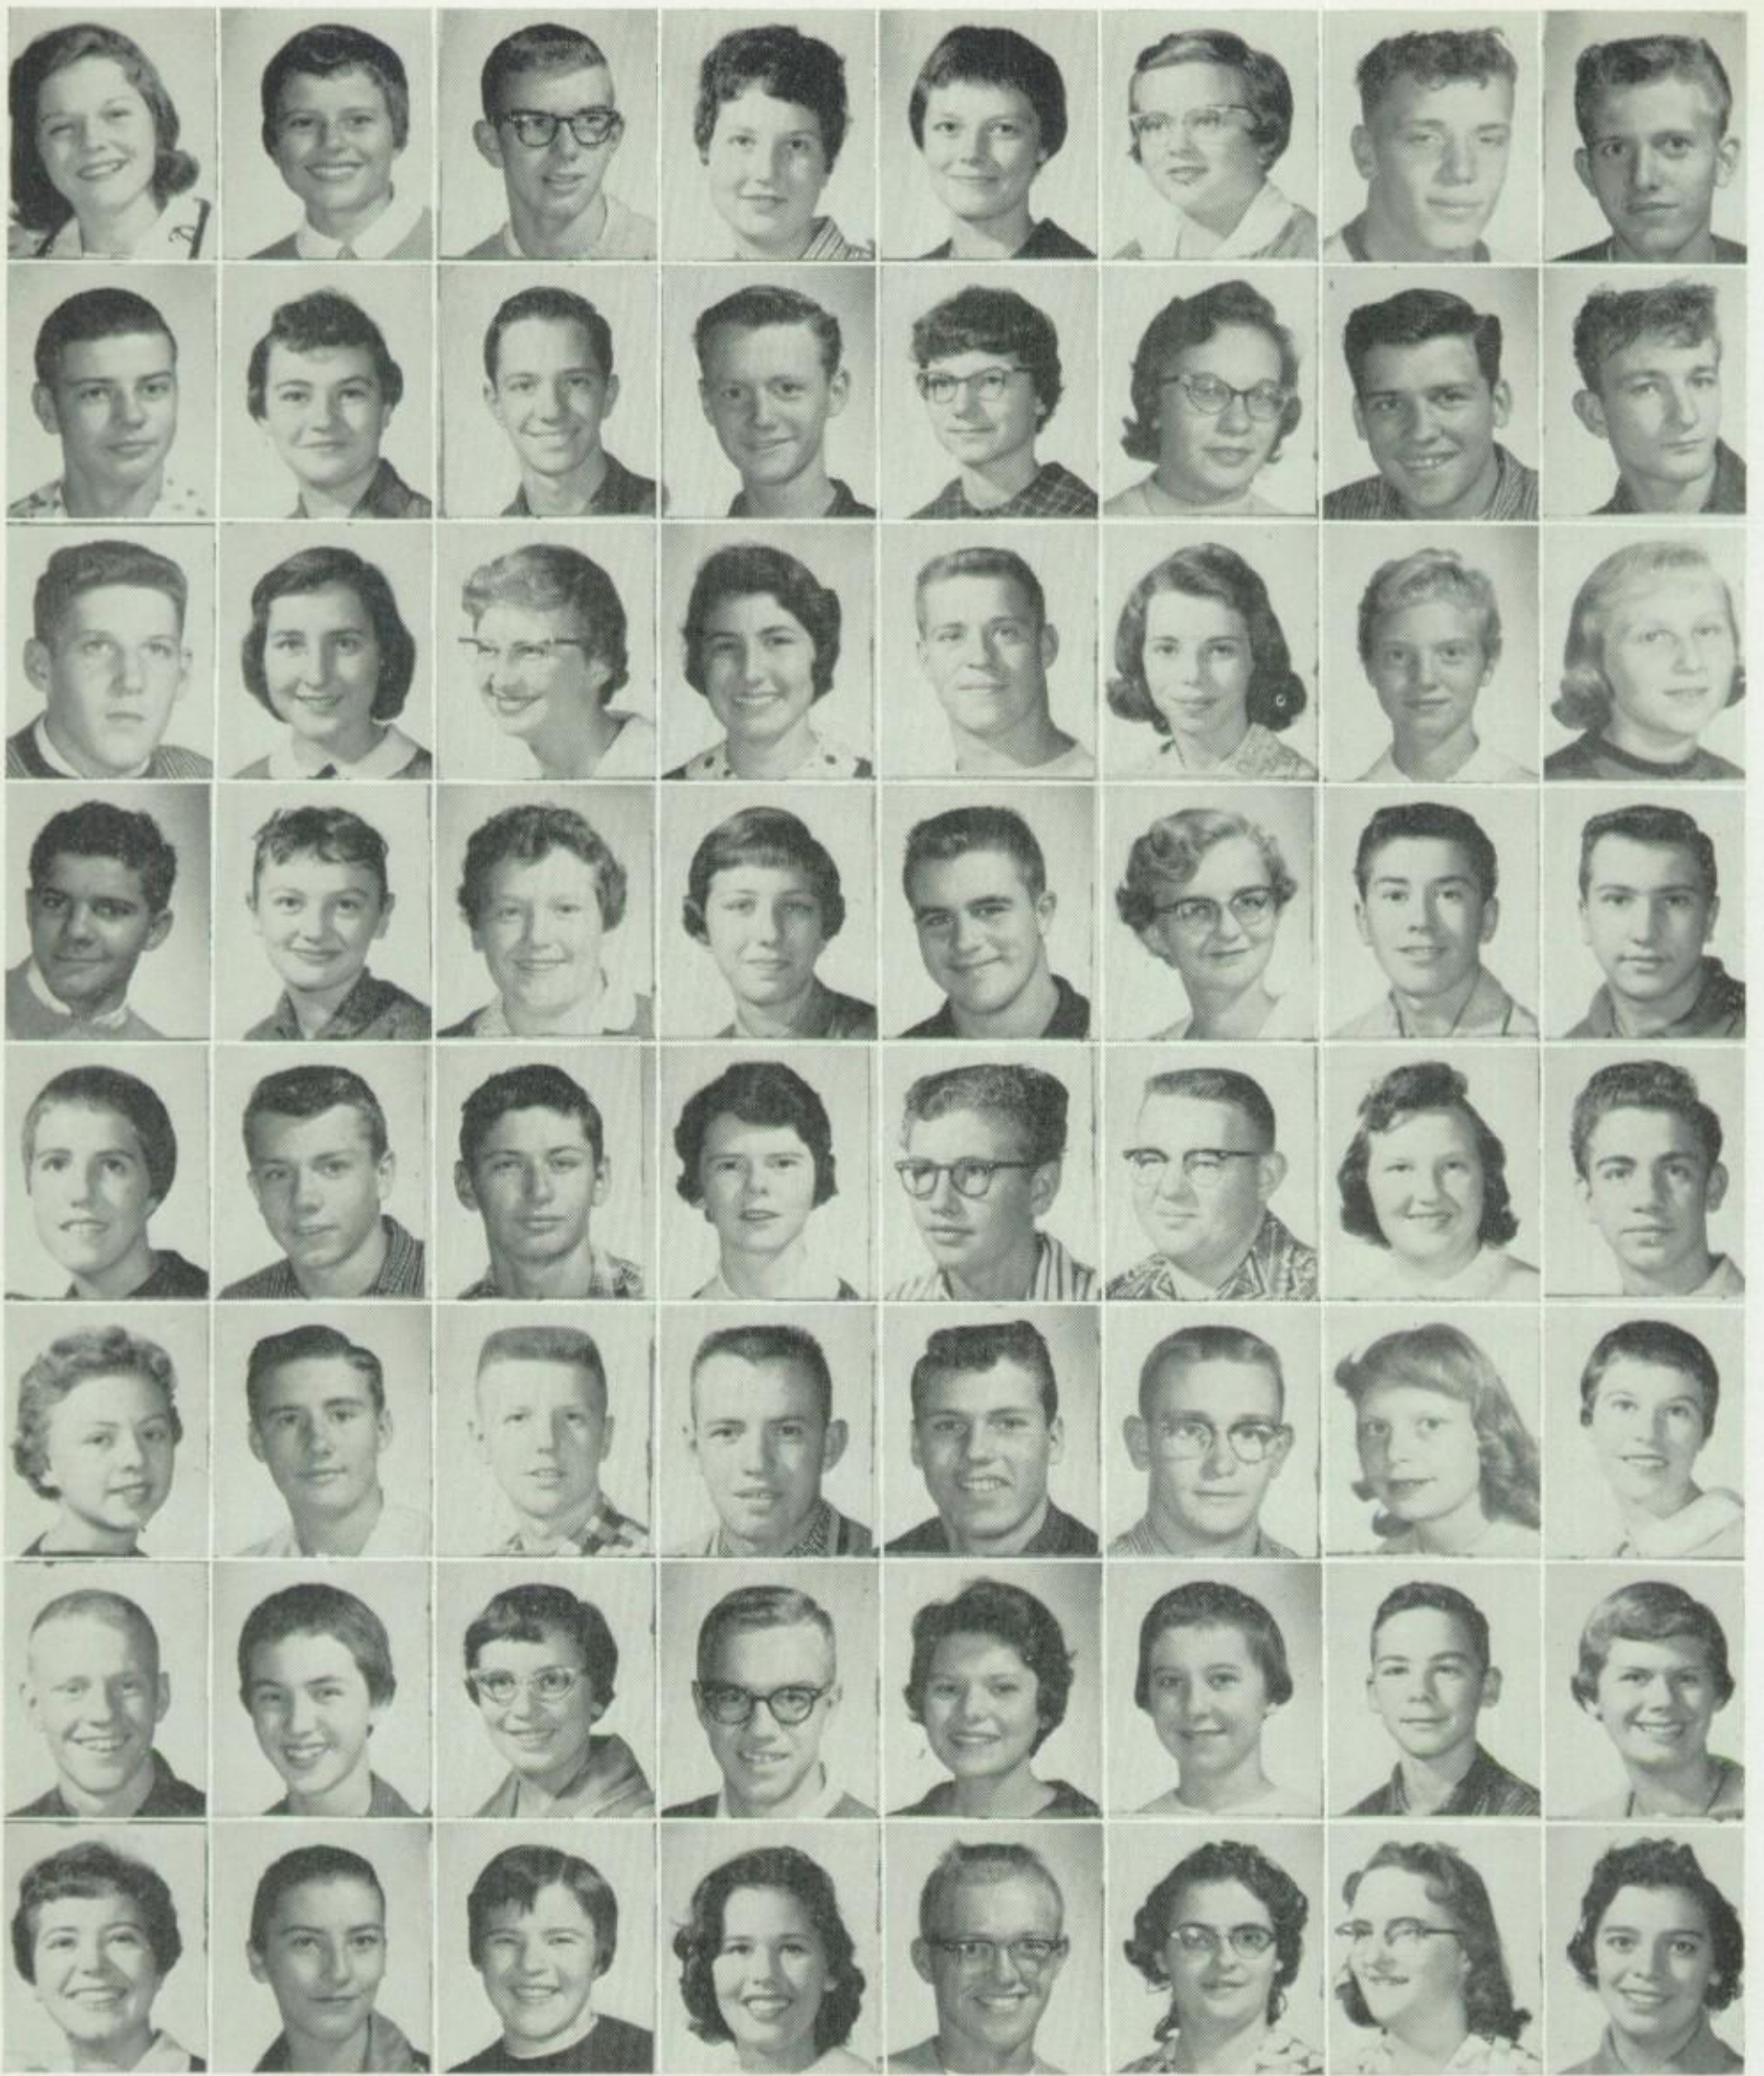

Steven Dray

June 16, 1941 — February 17, 1959

Steve, a great guy, loyal Wahawk, hard working — one of us. To those who knew him only through sports, he exemplified duty and service to West High, his school. To those of us who knew him well, he represented honor, honor in all his actions. Even in death he gave to us a legacy: our motto . . . Duty, Honor, Service.

*"We understand death for the first time when
He puts His hand upon one whom we love."*

Soon our high school days will be another chapter in our "past memories." These memories will be precious to us not only because of the big events but because of the wonderful experience it is to be a part of the spirit and student body of West. This spirit, though it is indescribable and intangible, is felt within each one of us. The things most appreciated are those that are past; as the senior class, we may have called this "our year," but without the underclassmen this could not have been so. Now, underclassmen, you have your chance to take advantage of the opportunities to make next year — your big year.

Bill,
I have a sharp sense
and I have had a lot of
fun in the past years, a
kind of a
rush in the coming

years.
Come.
